Instructions to Publishers

- Complete and file one copy of this form with your practitioner on or before October 1 annually. Keep a copy of the completed form for your records.
- Include in items 1(a) and 1(b), in cases where the disclaimers or security holder is a trustee, the name of the person or corporation for whom the disclaimers or security holder is acting. Also include the names and addresses of individuals who are beneficiaries who own or hold a percent or more of the total amount of shares, mortgages, or other securities of the security holder in item 11. If none, check box. Use letters A through Z in alphabetical order.
- See how to format all information called for in item 15, regarding circulation. Free circulation must be shown in lines 15(a, b, c).
- If the publication had second-classification as a general or quarterly publication, this Statement of Ownership, Management, and Circulation must be published: it must be printed in any issue in October or the first printed issue after October; if the publication is not published during October.
- In item 16, indicate date of the issue in which this Statement of Ownership will be printed.
- In item 17 must be signed:
- Failure to file this public statement of ownership may lead to suspension of second-classification.
